

Open The Gates

VERSE 1

Our praise awaits You with the dawn
Our souls awake to You and lift a song

VERSE 2

We've seen the things that You have done
And still we know the best is yet to come
There's more to come

CHORUS

Open the gates and let Your glory come down
Open our hearts and let our worship pour out

VERSE 3

Your presence here is all we need
You break our chains with sounds of victory
You're changing everything

BRIDGE

Come flood this space
No one else could take Your place
Come have Your way
No one else could take Your place

Yes I Will

VERSE

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

CHORUS

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

BRIDGE

I choose to praise
To glorify glorify
The name of all names
That nothing can stand against

TAG

For all my days
Yes I will

Do It Again

VERSE 1

Walking around these walls
I thought by now they'd fall
But you have never failed me yet
Waiting for change to come
Knowing the battle's won
For you have never failed me yet

CHORUS

Your promise still stands
Great is your faithfulness, Faithfulness
I'm still in your hands
This is my confidence
You've never failed me yet

VERSE 2

I know the night won't last
Your word will come to pass
My heart will sing your praise again
Jesus you're still enough
Keep me within your love
My heart will sing your praise again

BRIDGE

I've seen you move
You move the mountains
And I believe
I'll see you do it again
You made a way
Where there was no way
And I believe
I'll see you do it again
